“ *Bill was my first husband and one of the great loves of my life. I wept when I heard the news; as we still spoke regularly, and. I had just talked to him. Rest In Peace Bill. The world is not the same without you.*

*Thanks Dennis this is his son eric.  
My father taught me how to cook, camp, fish, hunt, mushroom hunt & so many other life lessons. I love him & miss him so much...i imagine he's having a Budweiser & enjoying a show w/Hendrix, stevie ray von, Janis Joplin & Jim Morrison !  
I am truly blessed to have him as a father & great friend...RIP daddy I love u & wish u were here...*
